Syed Usama Ali Shah

Lead Website Developer · WordPress · React · Shopify · AI Integrations

PROFESSIONAL SUMMARY

Results-driven Lead Website Developer with 4+ years of professional experience and 3+ years of concurrent freelance work spanning 35+ client projects across e-commerce, logistics, real estate, gaming, and nonprofit sectors. Known for rapid career growth — intern to team lead — with deep expertise in WordPress, React, Shopify, and AI-powered tooling. Equally strong in client communication, project architecture, and hands-on development.

WORK EXPERIENCE

Lead Website Developer

Softfellow · Feb 2025 – Present

- Leading full project lifecycle from architecture to delivery and client handoff.
- Integrating AI tools, N8N automation workflows, and vibe coding pipelines into client solutions.
- Managing and mentoring junior developers on code quality and best practices.

Junior Front-End → Senior Web Developer

Techigator · May 2023 – Feb 2025

↑ Promoted within 18 months

- Built complex WordPress themes, custom plugins, and Elementor page layouts.
- Developed React / Next.js applications and custom Shopify storefronts.
- Delivered cross-functional e-commerce and web solutions for diverse clients.

Intern → Junior Front-End Developer

Olive Digital · Early 2022 – May 2023

- Promoted from intern based on performance; built responsive WordPress sites and UI components.
- Gained foundational expertise in HTML, CSS, JavaScript, Bootstrap, and WordPress.

FREELANCE HIGHLIGHTS · 35+ PROJECTS
